THEACHERS' MEETING.

The Tonic Sol Fa at Lihue Meets
With Success.

Some Good Results of Earnest Teaching—Violin Playing That Was Appreciated.

LIHUE (Kauai), June 30.—On Saturday evening, the 20th, there was held at the Lihue Native Church a most enjoyable concert, the object of the entertainment being to show the parents of the school children and other visitors what could be done by the use of the Tonic Sol Fa system.

The chief promoter of the concert was J. B. Alexander, the efficient principle of the Lihue Government School, who was ably assisted by Mrs. Alexander and Mrs. Lindemann.

The best feature of interest was the really remarkable part singing of the school children, who rendered some of the most difficult songs in a very pleasing manner. The parts throughout were well sustained and everyone was astonished at the well modulated voices, which seemed to be under the perfect control of Mr. Alexander, who acted as conductor throughout the concert.

Mention must not be omitted of the brilliant violin playing of Mr. Constable, whose performance was a treat and a revelation to most of the audience. By special request, Mr. Constable was kind enough to give the audience another treat in the second part, which was much appreciated.

The financial results of the concert were very satisfactory, and with the amount collected it is intended to start the nucleus of a school library.

Mr. Alexander is to be most heartily congratulated on the success of his undertaking. Following is the program:

Part I.

Piano Duet—March Schubert

LOWERING THE RECORD.

Alex. McDonnell Makes a Mile on a Viking in 2:17.

Alex. B. McDonnell, the world's champion road bicyclist, accompanied by his manager, H. G. Kahlo, passed through on the Alameda yesterday. Mr. McDonnell is called the "Unpaced King" in the United States from the fact that he has made all of his records without being paced. His five-mile time is 8:41; 25 miles, 51:55; 50 miles, in 2 hours, 2 minutes and 19 seconds, and 100 miles in 4:40:09. The five mile record excels anything made on a bicycle by any rider in the world.

During his short stay Mr. McDonnell, joined by the local riders, went to Kapiolani Park for the purpose of making an effort to lower the mile record. It was arranged that Dexter and Angus should pace McDonnell for a half mile, they to ride a tandem while he would ride a Viking. The pace was all right for an eighth of a mile, but at the end of a quarter the boys gave out under the fast riding and gave up, and Mr. McDonnell took the start alone and finished the mile in 2:17, lowering the record here twelve seconds. After the trial the boys adjourned to a watermelon patch in the neighborhood and feasted on the fruit.

Messrs. McDonnell and Kahlo will remain in Australia for about eighteen months and then continue around the world.

Cornell Downs Harvard.

POUGHKEEPSIE, N. Y., June 24.—Skill and hard pugging won the day for Cornell's freshmen eight in the first of the two big four-cornered university boat races which took place this afternoon. The shells finished in this order: Cornell first, Harvard second by a length, Pennsylvania third by three-quarters of a length, Columbia fourth by a full fifteen lengths. The official time was 10:18, 10:22, 10:26½, 10:51 respectively.

LONDON, June 24.—Yale surprised English oarsmen today by rowing over half the regatta course in 3:25, which is three seconds faster than New College has done it, and four seconds better than the Leander crew, the two fastest English eights on the river. Yale's stroke was thirty-five to the minute, and New College rowed thirty-six and Leander thirty-seven. New College rowed under better conditions than did Yale.
